... While Helping Others,”**

**Hi There!**

Beautiful weather is coming and it's time to dust off those clubs. Yes, it's the season for the 'Sobriety House Annual Charity Golf Tournament'. It's our seventh annual, and we are hoping to be able to count on your support.

For those who may not know, Sobriety House has been dealing with the challenges of substance abuse in males age 17 and over in our community for over a quarter century. To compound the struggle that such a task brings we are also battling government funding. Over the years operating costs have gone up as funding has remained the same. As such the annual golf tournament has been a way to raise some much needed funds.

We hope that you, as a concerned citizen find this matter as pressing as we do and join us on the greens or rather 'The Battlefields' in the war against addiction.

Thanks,

*Sherry*

**Joe Borden  
1951-2008**

Joe lived each day of his life to the fullest, and always helped others where and whenever he could. In doing so, he touched all of us in many different ways and for that we are all better human-beings. Joe's spirit will remain with us forever in our memories and in our hearts. Joe believed strongly in people and focused on having fun by sharing special times and laughter with friends and loved ones. "One Love Brother Joe!"...Rick

It was a pleasure and an honor working with Joe at Sobriety House. He always spoke from his heart to the clients and truly believed in everyone. You are missed very much. "One Love"
